

2023 Medical Training Survey

Australian and New Zealand College of Anaesthetists

INTRODUCTION

The Medical Board of Australia's Medical Training Survey (MTS) is a national, profession-wide survey of doctors in training in Australia. This infographic is for the Australian and New Zealand College of Anaesthetists for which 721 trainees responded to the survey. It is confidential and generates data used to strengthen medical training in Australia. The MTS is conducted annually with doctors in training, with 2023 being the fifth year.
